Semi-Final election results are now available for the June 6, 2017 City of Seaside Special Municipal Election, updated as of 4:30 PM June 12th.

Measures G/L have 81% and 63% approvals at present, respectively.

This figure includes all late Vote By Mail and Provisional ballots. There are only 21 outstanding Vote By Mail ballots yet to be counted, which are missing voter signatures. Per election code, Vote By Mail ballots that are returned without signature have an additional eight days following notification to return a valid signature.

Certification of the election is anticipated by June 23rd, 2017
