Calling All Seaside Residents!

How would you invest \$2.2 million to address priority needs in your community over the next five years?

Join us for a community forum series and share your insights! Every five years, the City creates the “Consolidated Plan” document to identify community needs and priorities.

We need your help determining how best to spend federal funds to invest in Seaside. Together, we can prioritize key areas such as affordable housing, sustainability, homeless shelters, infrastructure and job opportunities.
