## **Seaside Council Member Kayla Jones Has Resigned Effective December 1, 2018**

Council Member Jones has submitted her official notice that she is resigning effective December 1, 2018 as Council Member for the City of Seaside.

Council Member Jones is not anticipated to be at the November 15, 2018 City Council meeting.

The current forensic audit is continuing and the results are expected to be received no later than the first week of December. The City Council will receive the results and findings and discuss how to proceed.

Candidates for Council who did not receive the highest vote counts from the November 2018 election do not automatically fill this vacancy. The City Council will discuss at a near future meeting how to fill this vacancy. Per California Government Code section 36512, the Council must, within 60 days from the date of the vacancy, either fill the vacancy by appointment or call a special election to fill the vacancy for the remainder of the appointment term, which expires in November 2020.

The City of Seaside appreciates all members of our community that put forth effort to make our community better.
