Youth Education and Resource Center Open House

May 18, 2019 from 1 PM to 6 PM

1136 Wheeler Street, Seaside, California

The B.J. Dolan Youth Education and Resource Center will be hosting its annual Open House event. The event will include free food for all, mini golf, jumpers, basketball hoop, carnival booths and much more. This FREE community event is to demonstrate what the Teen Center has to offer for students entering 6th grade through 12th grade.

The Teen Center provides supervised activities for youth in middle and high school. Teens can participate in table soccer, video games, billiards, air hockey, mini golf, and board games. Students have access to our music room with free lessons, snack shack and our big screen TVs. In addition, the center has a homework room with computers along with homework assistance. The best part of all, it's free!

The Youth Resource Center is a one stop center, assisting ages 10-21 in the following areas: Mental and Emotional support, Substance Abuse, Truancy, Employee Support and Gang involvement. Their mission is to promote a coordinated effort, focused on health and safety for our youth and families using evidence based practices of prevention and intervention.
