## **FROM THE DIRECTOR:**

Greetings Seaside!

On behalf of the Recreation Department I would like to welcome you to another fun-filled Holiday and Spring season. After a wonderful summer of taking in the sights and sounds of the peninsula, and spending some time in the sun, it's time to break out those sweaters and jackets and get ready for the cooler weather.

This Winter/Spring, I challenge you to find something new to discover. It could be attending an event you have missed in the past or trying one of our newer programs like Bay Boi Fitness, or TAM TAM Sacree Drums. You could even get out and try the fastest growing sport in the nation... Pickleball! We will be starting a new weekly drop in program at the Oldemeyer Center. Are you ready to join the craze? So, I urge you to find something that brings you joy. Maybe it is something that you always wanted to try, or maybe it is something you never saw yourself doing. I say, go for it!

This guide is filled with activities, events, and classes for all ages. Find something that appeals to you and your families. It is through these opportunities that the recreation department is able to provide activities that focus on personal growth, skill development, creating new perspectives, and even create long lasting friendships. This is all driven by our mission: Include, Innovate, and Inspire!

I know there are always ways to improve our services, and I would love to hear from you. If you have feedback or ideas on future programming and services, or would like to share your experience in one of our programs, please contact me, Dan Meewis, at [dmeewis@ci.seaside.ca.us](mailto:dmeewis@ci.seaside.ca.us) or (831) 899-6821. We hope that you will join us this Winter/Spring, because we cannot wait to show you all the wonderful things we have in store for you the upcoming seasons!

Yours in Recreation,

**Dan Meewis**

# 4 - ADA

## City of Seaside Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 Complaint and Grievance Procedure

This Complaint and Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. It may be used by anyone who wishes to file a complaint or grievance alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the City. The City's Personnel Policy governs employment-related complaints of disability discrimination.

The City wants to hear concerns and complaints from citizens in order to provide accessible programs, services, and activities. A member of the public can contact the City with a comment, concern, or complaint without filing a formal grievance. A formal grievance can be filed by completing the City's Grievance Form.

It is preferred that the formal grievance be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request. If additional accommodations are needed, please contact the ADA Coordinator. The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

**Manny Gonzalez**  
**ADA Coordinator**  
**440 Harcourt Avenue, Seaside, CA 93955**  
**mgonzalez@ci.seaside.ca.us**  
**831-899-6821**  
**California Relay Service: dial 711**

Within 30 calendar days after receipt of the complaint, the ADA Coordinator, or her designee, will meet with the complainant to discuss the complaint and the possible resolutions. Within 30 calendar days of the meeting the ADA Coordinator or her designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, braille, or audio tape. The response will explain the position of the City and offer options for substantive resolution of the complaint. If the response by the ADA Coordinator or her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 30 calendar days after receipt of the response to the City Manager.

Within 30 calendar days after receipt of the appeal, the City Manager or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. Within 30 calendar days after the meeting, the City Manager or his/her designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Coordinator or their designee, appeals to the City Manager or his/her designee, and responses from these two offices will be retained by the City for at least three years.

# 14 - POOL WAIT LIST OVERVIEW

## POOL PARTY

Book your next party at the Pattullo Swim Center! Certified lifeguards supervise your party. More information and other rent-able facilities starting on page 41

The wait list is used to fill classes after the assessment swim test (or after those who have paid have been tested), usually held on the Wednesday BEFORE the lessons are set to begin. (Note: Its recommend waiting list participants to call 831-899-6801 after 6pm to get the status or likelihood of being pulled if they don't attend the test or know the level of their swimmer.)

It is required for wait list enrollments to attend the swim test date. If they don't get tested management doesn't know the level to place them and it lowers the possibility of being pulled.

The wait list position is irrelevant. Swimmers are pulled from the list based on opening surrounding swimmers and what is available after assessment testing: ages of class with opening, level that has space to fill, time of lesson, and swimmers availability based on the time listed.

If participants have not had swimming lessons with us in the past 3 months or more, it is recommended they be re-tested.

Due to high demand, if families are called but don't answer, management will move on to the next number until the spot is filled. Messages are only left if swimmer's age/level are the only fit for the opening. If a sibling makes it on the active roster but the other makes it on the waiting list they become a priority on the wait list.

Swim Levels can be updated/looked up on RecTrac under "Household Management" by looking at "Family Members" to find "Features"

We do not offer a make up for the assessment test. If you are unable to make the assessment test please contact the front desk and give a verbal account on swimmers ability. Based on info collected, management will update their profile on RecTrac to reflect estimated level. Once they come in to their class, the instructor can adapt to place them with the best effective class.
