FROM THE DIRECTOR:

Greetings Seaside! As we approach summer it is time to start thinking about the longer days, and the fresh air we are about to receive. We hope you take advantage of the beautiful summer and fall weather in Seaside. What will you do with all of the extra sunlight? I hope that this activity guide will give you plenty of ideas to fill some of those extra hours in the day.

As Spring Fever starts to dissipate there is still plenty of time left in 2024, and we are here to help with summer and fall ideas for you and your family. We have plenty of opportunities for you to try something new, advance a skill, get outside, go on an adventure, or meet new people. There is no need to travel, as this guide has a robust variety of options right here in Seaside. No matter what you are looking for, we are here to help you flourish this Summer/Fall.

Plan your summer and fall with this activity guide. From aquatics to our outstanding special events which will feature the City of Seaside's 70th Birthday on Sunday October 13, 2024. We will also have a selection of summer camps that includes a NEW soccer camp hosted by our own Monterey Bay Union FC. It is happening in Seaside, and there is something for all ages. Take advantage of the longer days and warm summer sun and spend some time with YOUR Seaside Recreation Department!

Together we can Include, Innovate, Inspire!

Yours in Recreation,

City of Seaside Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 Complaint and Grievance Procedure

This Complaint and Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. It may be used by anyone who wishes to file a complaint or grievance alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the City. The City's Personnel Policy governs employment-related complaints of disability discrimination.

The City wants to hear concerns and complaints from citizens in order to provide accessible programs, services, and activities. A member of the public can contact the City with a comment, concern, or complaint without filing a formal grievance. A formal grievance can be filed by completing the City's Grievance Form.

It is preferred that the formal grievance be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request. If additional accommodations are needed, please contact the ADA Coordinator. The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

Romeo Herrea
ADA Coordinator
440 Harcourt Avenue, Seaside, CA 93955
rherrea@ci.seaside.ca.us
831-899-6733
California Relay Service: dial 711

Within 30 calendar days after receipt of the complaint, the ADA Coordinator, or her designee, will meet with the complainant to discuss the complaint and the possible resolutions. Within 30 calendar days of the meeting the ADA Coordinator or her designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, braille, or audio tape. The response will explain the position of the City and offer options for substantive resolution of the complaint. If the response by the ADA Coordinator or her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 30 calendar days after receipt of the response to the City Manager.

Within 30 calendar days after receipt of the appeal, the City Manager or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. Within 30 calendar days after the meeting, the City Manager or his/her designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Coordinator or her designee, appeals to the City Manager or his/her designee, and responses from these two offices will be retained by the City for at least three years.

FALL YOUTH SWIM LESSONS (age 4-14)

FALL REGISTRATION
RESIDENT: 08/12
NON-RESIDENT: 08/14

WAIT LIST OVERVIEW

The wait list is used to fill classes after the assessment swim test (or after those who have paid have been tested), usually held on the Wednesday BEFORE the lessons are set to being. (Note: Its recommend waiting list participants to call 831-899-6801 after 6pm to get the status or likelihood of being pulled if they don't attend the test or know the level of their swimmer.)

It is required for wait list enrollments to attend the swim test date. If they don't get tested management doesn't know the level to place them and it lowers the possibility of being pulled.

The wait list position is irrelevant. Swimmers are pulled from the list based on opening surrounding swimmers and what is available after assessment testing: ages of class with opening, level that has space to fill, time of lesson, and swimmers availability based on the time listed.

If participants have not had swimming lessons with us in the past 3 months or more, it is recommended they be re-tested.

Due to high demand, if families are called but don't answer, management will move on to the next number until the spot is filled. Messages are only left if swimmer's age/level are the only fit for the opening. If a sibling makes it on the active roster but the other makes it on the waiting list they become a priority on the wait list.

Swim Levels can be updated/looked up on RecTrac under "Household Management" by looking at "Family Members" to find "Features"

We do not offer a make up for the assessment test. If you are unable to make the assessment test please contact the front desk and give a verbal account on swimmers ability. Based on info collected, management will update their profile on RecTrac to reflect estimated level. Once they come in to their class, the instructor can adapt to place them with the best effective class.
