March 26, 2018

Groundbreaking – Robert’s Lake Eco-Recreation Station Friday, April 6, 2018 at 11 A.M.

The City of Seaside will be holding a groundbreaking ceremony of the Robert’s Lake Eco-Recreation Station on Friday, April 6, 2018 at 11 A.M. thanks to the Building Better Communities grant from American Water Charitable Foundation and the National Recreation and Park Association! This nature based playground project will feature an outdoor classroom and play area that will be open to the public by June 2018.

The purpose of the project is to enhance the quality of life in the community by building or enhancing water and nature-based play spaces for youth, and to connect and educate people on environmental stewardship practices.

We are inviting you to the ground-breaking ceremony, which will be held on the west side of Robert’s Lake at the dock. The first 50 people will receive a commemorative gift and light refreshments will be served.

Attached is the flyer announcing the “Name the Coot” contest for the Robert’s Lake official mascot. If you, or anyone you know, would like to participate, please make your suggestion and return the form by June 15, 2018. The winner will receive a prize and will be announced at the grand opening of the park.
